* Billing deadlines on days before holidays are at 4:00 PM on the indicated date. Otherwise, they are at the end of the day (midnight). Delays in payments should be expected during holiday periods when state offices and post offices are closed.

Page Number: Enter the page number. Use additional records if you care for more than three children.

Child's Name and Age: Enter the name and age of each child for whom care has been authorized for the billing period. Place them in alphabetical order by last and first name.

Care Begin and End Times: Enter the times in hours and minutes, indicating if it is AM or PM.

Child Care Hours: Enter the number of hours of care that were actually provided, rounded to the nearest half hour. Enter half hours as .5. **This may be more or less than the number of hours authorized on the DHS-198. Leave blank any days the child did not attend.**

Child Ill/Holiday Hours Absences due to holidays or the child's illness (not to exceed 208 hours per fiscal year) can be billed if you charge the general public (all families) for the holiday or absences due to illness AND if the child would have normally been in care that day. If you do bill ill/holiday hours, you may not enter more hours than the child would have normally been in care that day. In the box for the day that the holiday or the absence occurred, enter the number of hours being billed, rounded to the nearest half hour. Enter a half hour as .5. See the Child Development and Care Handbook.

Parent or Authorized Representative Initial: The parent or authorized representative must initial daily for each child, for those days they were in care, to indicate that the entries are correct.

Child Care Provider's Signature and Date: The person authorized to complete the billings must sign and date the form.

Confirmation Number: Enter the confirmation number found in the upper right corner (THIS BOX FOR DHS USE ONLY) of the DHS-105, Child Development and Care Billing/Attendance Invoice.

HOW TO ROUND TO THE NEAREST HALF HOUR:

Round each care begin time and care end time to the nearest half hour to get the total daily child care hours.

If the minutes in the care begin/end time are between 1-15, drop them. For example, for a care begin time of 8:15 a.m., enter 8:00 a.m.

If the minutes in the care begin/end time are between 16-45, round to the half hour (:30). For example, for a care end time of 4:45 p.m., enter 4:30 p.m.

If the minutes in the care begin/end time are between 46-59, round to the next full hour. For example, for a care begin time of 7:52 a.m., enter 8:00 a.m.

Please note: Parents are responsible for child care expenses that are not paid by the department including expenses incurred while a parent or provider's eligibility is being determined. Parents are also responsible for child care expenses when care is provided while the parent is not attending his/her authorized activity.
